

Pre-Kindergarten
Little Oak Theme List
2018/2019 School Year

~August~ Back to School

Class Intro~Class Rules~Getting to Know Self & One Another

These first few days back-to-school the students will learn about the school, their classroom & teachers. We will also promote self-help skills/get to know self & others.

~September~ All About Me

Family~Friends~Human Body~Senses~ Letters A-D

Through September we will be learning about our families, our friends, our human bodies and our 5 senses.

~October~ Fall/Autumn

Home~Address~Phone #~Community Helpers~Construction~Safety~Autumn fun
Letters E-H

We will continue to learn about our place in the community. We will learn about our homes, including our address and phone numbers and how our lives relate to our community. We will discuss the community, construction and safety. We will also celebrate and learn about the beauty of Fall and of course...Halloween!!

~November~ Harvest

Farm~Fruits~Vegetables~Thankful~Kindness Matters~Manners Letters I-K

Through November the students in Pre-K will be discussing farm life, the animals and the process of farm to table. Children will learn the importance of giving and what it means to be kind and share. Manners will also be something our classrooms discuss and learns "hands-on."

~December~ Winter

Creative Arts~Celebrations~Music~Shapes~Colors Letters L-N

Through the month of December the students will be learning about winter and all of the cultural celebrations that take place in their homes, in our school and around the world. We will also learn about shapes, colors and how they relate to Science and Mathematics. Music, instruments, arts, painting, puppetry and drama will be a highlight through the month.

~January~ Travel/Around the World

Transportation~Outer Space~All People Letters O-R

In January we will have fun exploring and traveling around our home-land, our "small" world, and the "great" outer space. Through our travels we will learn how we can move from one place to another or even one land to another (even beyond our atmosphere).

We will discuss the world of "All People" and the beauty of our diversities.

Pre-Kindergarten
Little Oak Theme List
2018/2019 School Year

~February~ Animal Life

Birds~Dinosaurs~Pond~Oceans~Habitats~Rainforest and Desert

Letters S-V

This month the students will have so much fun exploring all sorts of animal life. From life in the deep ocean to the birds in the tall trees of the rainforest. We will also talk about where creatures live and the places they make "home." Friendship and love will also be a theme this month as we celebrate Valentine's day/week.

~March~ Books Are the Best!

Authors~Nursery Rhymes~Folktales~Fairytails~Favorite Stories Letters W-Z

Begin our Kindergarten Readiness Evaluations

We will be so excited to celebrate the joy of books, story and tales with our Pre-K students. Children will even be able to bring in their favorite books to share. We will talk and learn about famous authors and learn the nursery rhymes, folktales and fairytales that have been shared for many generations. We will celebrate finishing up our alphabet!!

~April~ Spring

Garden~Insects~Weather~Earth Day~Recycling~One World

Through April we will discuss Spring, insects, weather and learn how to plant in our Little Oak garden. We will discuss how our lives affect our world. How we can make our world a better place by taking care of the Earth. Recycling, reducing and reusing. We will celebrate Spring and our Earth and what it means to be "GREEN."

~May~ Health

Health~Nutrition~Food~Sports~

Kindergarten Readiness Evaluations/Preparation for our Little Oak Graduation

We will discuss many aspects of what it means to be healthy. How to eat for a healthy body, mind and life. Good nutrition will be emphasized and we will also talk about how to have a healthy body and the physical activities that can help keep our bodies at their best. We will also learn about different sports and activities.

~June~ Graduation & Summer

Graduation~Summer~Vacation

For our last few weeks of the Little Oak school year we will learn about graduation and why our ceremony is so very special. We will also have some end-of-school year fun with spirit days and activities surrounding our last weeks of school. We will learn about vacations and who, what and where the places we go.

Goldfish
