Through September we will be learning about our families, our friends, our human bodies and our 5 senses.

**~October~ Fall/Autumn**

Home~Address~Phone #~Community Helpers~Construction~Safety~Autumn fun  
Letters E-H

We will continue to learn about our place in the community. We will learn about our homes, including our address and phone numbers and how our lives relate to our community. We will discuss the community, construction and safety. We will also celebrate and learn about the beauty of Fall and of course...Halloween!!

**~November~ Harvest**

Farm~Fruits~Vegetables~Thankful~Kindness Matters~Manners Letters I-K

Through November the students in Pre-K will be discussing farm life, the animals and the process of farm to table. Children will learn the importance of giving and what it means to be kind and share. Manners will also be something our classrooms discuss and learns "hands-on."

**~December~ Winter**

Creative Arts~Celebrations~Music~Shapes~Colors Letters L-N

Through the month of December the students will be learning about winter and all of the cultural celebrations that take place in their homes, in our school and around the world. We will also learn about shapes, colors and how they relate to Science and Mathematics. Music, instruments, arts, painting, puppetry and drama will be a highlight through the month.

**~January~ Travel/Around the World**

Transportation~Outer Space~All People Letters O-R

In January we will have fun exploring and traveling around our home-land, our "small" world, and the "great" outer space. Through our travels we will learn how we can move from one place to another or even one land to another (even beyond our atmosphere). We will discuss the world of "All People" and the beauty of our diversities.

**~February~ Animal Life**

Birds~Dinosaurs~Pond~Oceans~Habitats~Rainforest and Desert

Letters S-V

This month the students will have so much fun exploring all sorts of animal life. From life in the deep ocean to the birds in the tall trees of the rainforest. We will also talk about where creatures live and the places they make "home." Friendship and love will also be a theme this month as we celebrate Valentine's day/week.

**~March~ Books Are the Best!**

Authors~Nursery Rhymes~Folktales~Fairytails~Favorite Stories Letters W-Z

Begin our Kindergarten Readiness Evaluations

We will be so excited to celebrate the joy of books, story and tales with our Pre-K students.

Children will even be able to bring in their favorite books to share. We will talk and learn about famous authors and learn the nursery rhymes, folktales and fairytales that have been shared for many generations. We will celebrate finishing up our alphabet!!

**~April~ Spring**

Garden~Insects~Weather~Earth Day~Recycling~One World

Through April we will discuss Spring, insects, weather and learn how to plant in our Little Oak garden. We will discuss how our lives affect our world. How we can make our world a better place by taking care of the Earth. Recycling, reducing and reusing. We will celebrate Spring and our Earth and what it means to be "GREEN."

**~May~ Health**
